

Genesis 16 • Less Than Ideal Circumstances

1. (v.1-2) The seed of **unbelief** is often planted when we begin listening to the voice of **someone** other than the **Lord**.
2. (v.3-6) There are always **consequences** for the **choices** we make.
3. (v.7-14) Regardless of the circumstances or choices of **others**, the issue ultimately comes down to what **we** are **accountable** for.
4. (v.15-16) Biblical **peace** is not the absence of **conflict** but **faithfulness** to the Lord in spite of it.
