

Exodus 7-8:24 • God's Signs and Wonders

1. (7:1-7) For **believers**, signs reinforce faith already shown by their **obedience**, for **non-believers** they are a drastic attempt to get them to **listen**.
2. (7:8-13) God always provides the opportunity to come to Him by recognizing the **power** of His **Word**.
3. (7:14-25) It is never about seeing and "**believing**", but seeing and "**listening**" to the greater **message** accompanying God's signs.
4. (8:1-15) **Faith** which only lasts in the presence of a sign is no **faith** at all.
5. (8:16-19) Steadfast refusal to **listen** leads to **hardness** of heart.
6. (8:20-24) **Hardness** of heart inevitably results in personal **judgment**.
