

Exodus 24 • Consecration of the Word

1. (v.1-3) A right biblical spiritual relationship begins with a commitment to God's Word and ways, to put His Word into practice continually from that point on for the rest of one's life.
2. (v.4-8) The visible proof of the working of the blood of salvation in our life is our visible obedience to His Word.
3. (v.9-11) Those obedient to His Word through the blood are living not only in a right relationship in the presence of Christ, but with each other.
4. (v.12-18) Our commitment to God's Word is the foundation from which everything else proceeds.
