

## Deuteronomy 12 • It Begins with Right Worship

---

1. (v.1-7) The practices of other cults and religions cannot be **adapted** for right **worship** of God. He must be **worshiped** according to His **Word** and **ways** alone.
2. (v.8-14) Biblical **worship** must always be followed up with biblical **faith** and **obedience** to God's Word. It is the singular **path** to God's **rest** literally and spiritually.
3. (v.15-19) While we are to make a distinction between that which we devote exclusively to **God** and that which daily supports and sustains **us**, we must maintain a similar **balance** in all things when it comes to our relationships with **others**.
4. (v.20-28) A right relationship with God involves both the **blood** of atonement and **obedience** to His Word, both of which are ultimately fulfilled in **Christ**.
5. (v.29-32) There is no right **worship** of God without strict adherence to His **Word** as it stands, never needing additional **alterations**.
