

Joshua 5:13-6 • The Beginning of the End

1. (v.5:13-15) The battle is always led by **Christ Himself**.
2. (v.6:1-7) Events increase in frequency like **labor pains** until their final fulfillment.
3. (v.6:8-11) The end is always preceded by sounding the alarm through **God's Word**.
4. (v.6:12-14) A “seven” unfolding a “seven” is the same pattern of **Final Judgment**.
5. (v.6:15-21) The far greater spiritual issue represented by the signs and wonders is that it's a call and test of **faith**.
6. (v.6:22-25) Each successive judgment is an opportunity to **repent** before the next judgment.
7. (v.6:26-27) No other **foundation** except that of Christ will stand.
