Q: How is David a "type" or picture of the Messiah?

- Both were born in Bethlehem.
- Both were rejected by their brethren. (When David became king his brethren received him just as the Jews will receive Christ when He returns the second time.)
- David was anointed king years before he was permitted to reign; Christ is King now but will not reign on earth until Satan is banished.
- King Saul typifies Satan in this age—although rejected and defeated, he was permitted to reign until David took the throne; Satan is permitted to persecute God's people yet will one day be defeated.
- Just as David was sent by his father to the battlefield, so Christ was sent by His Father to this world.

"When a strong man, fully armed, guards his own house, his possessions are undisturbed. But when someone stronger than he attacks him and overpowers him, he takes away from him all his armor on which he had relied and distributes his plunder. He who is not with Me is against Me; and he who does not gather with Me, scatters. Luke 11:21-23

- Satan is the strong man guarding his goods (the people under his control), and Christ is the Stronger Man who overcomes him.
- Christ invaded Satan's kingdom, overcame his power, took his armor, and now is dividing the spoils by saving lost souls and making them children of God. This is what David did that day: He overcame the strong man and allowed Israel to divide the spoils.
- Application:** How does the following apply to your approach to the battles of your life: "Christians do not simply fight **FOR** victory, but fight **FROM** victory, the victory won at the cross"?
