

## 1 Samuel 24 • God's Ways vs. Man's Ways

---

1. (v.1-3) Saul has set **himself** as the center of all things displacing **God's** authority in his life; David has set **himself** apart in the course of yielding to **God's** authority in his life.
2. (v.4-7) David never assumed that the circumstances automatically meant it must be from **God**, even when **others** claimed so. He always **inquired** of the **Lord** to know for sure.
3. (v.8-15) Operating according to **God's** ways provides the opportunity for those operating according to **man's** ways to repent and return to **God's** ways.
4. (v.16-19) Repentance is a powerful **testimony** to others who are pursuing their own ways.
5. (v.20-22) Ultimately Saul recognized the **consequences** of his ways and acknowledged their giving way to **God's** ways through David.
