

1 Chronicles 28-29:22 • Spiritual Legacies

1. (v.1) The number one priority is to ensure that **normal worship** activities continue uninterrupted.
2. (v.2-7) The things of God are worthless if not founded on and maintained in accordance with **the Word of God**.
3. (v.8) The things of God are useful only if one's **life** is committed to **the right things** to begin with.
4. (v.9-11, 19) The things of God come about because of **God's will**, not **man's**.
5. (v.20-29:1) Special projects are actually supposed to be carried out in the same way as **"normal" church** activities, each person contributing according to their **gifts and calling**.
6. (v.2-5) Contributions to God's work are supposed to be accepted only from those with a **right heart**. It's an act of **worship**.
7. (v.6-9) You don't join to get something in return; you join out of **joy** from an **obedient heart**.
8. (v.10-16) It really comes down to what kind of **steward** you are with what God has entrusted to you.
9. (v.17-19) The true rewards of good stewardship are not **material**, but **spiritual**.
10. (v.20-22) The right approach to special projects is exactly the same as any normal gathering of Believers: **worship**.
