

2 Chronicles 1 • Establishing God's Work

1. (v.1) God does not send someone out without first properly preparing them.
2. (v.2-6) True spiritual leaders lead by example by first establishing the quality of their own spiritual walk before leading the people back to the proper beginning of that process for them as well.
3. (v.7-13) Having been properly spiritually established personally, God subsequently elevates personally.
4. (v.14-17) Having been properly spiritually established corporately, God subsequently elevates corporately.
