

2 Chronicles 24 • The Rise and Fall of King Joash

1. (v.1-3) Although sincere, it was not a **life-long** commitment.
2. (v.4-14) For a time there was a right return to the **things** and **resources** of God.
3. (v.17-22) Things began to go wrong when the wrong **influences** were allowed to take control.
4. (v.23-25) Ultimately it led to **forsaking** the Lord completely which always gives way to God's **judgment**.
