

## 2 Chronicles 36:11-21 • Leaving God No Alternative

---

1. (v.11-14) If you're not wholly dedicated to God's Word, it's impossible to be truly **sanctified**. Everything so compromised will eventually be **removed** from God's **presence**.
  
2. (v.15-17) The question isn't "How can a loving God allow evil?", but it's actually God asking **US**, "Why won't you **obey Me** and cease from doing **evil**?"
  - a. To continually reject obeying God's Word is defined by the Bible as **despising** His Word.
  
  - b. "Final Judgment" is actually the point when all attempts at **reconciliation** to God's Word have been **exhausted**.
  
3. (v.18-21) We can't pick and choose which parts of God's Word is to be obeyed. This inevitably leads to **spiritual deception**.
  
  
4. The rejection of God's Word works **spiritual deception** to the point of leaving God no alternative but **Final Judgment**.
