

Psalm 19 • Developing a Right Prayer Life

1. (v.1-6) The biblical definition of worship is to first and foremost acknowledge God for who He is and what He's done.
2. (v.7-11) If we adhered to the whole of God's Word, we would be coming before God restored, wise, rejoicing, enlightened, clean, and in truth.
3. (v.12-13) Before any personal requests, we should seek that God makes us acceptable and pure before Him.
4. (v.14) The goal isn't to find a formula that somehow obligates God to answer our prayers in the precise manner we desire, but that we should be living according to His standard of righteousness so that our prayers will be in alignment with His will.
