

## Psalm 78 • The Legacy of Signs

---

1. (v.1-4) The Psalmist begins by first reinforcing the greater importance of \_\_\_\_\_.
2. (v.5-8) It is not just about knowing \_\_\_\_\_, but putting it into \_\_\_\_\_.
3. (v.9-16) The first generation out of Egypt proved they were not \_\_\_\_\_ by the great signs they experienced by the fact they did not allow themselves to be \_\_\_\_\_ by God's Word.
4. (v.17-20) When people who are \_\_\_\_\_ by the Word see signs and miracles, they simply want \_\_\_\_\_ signs and miracles.
5. (v.21-33) Neither a sign of God's \_\_\_\_\_ nor a sign of God's \_\_\_\_\_ has any impact on \_\_\_\_\_ which refuse to \_\_\_\_\_ to Him.
6. (v.34-39) God always provides the greatest \_\_\_\_\_ possible to be \_\_\_\_\_ to Him through His grace.
7. (v.40-53) When Jesus came the first time, most of His own people treated Him exactly as the generations out of Egypt did, refusing to \_\_\_\_\_ to the \_\_\_\_\_ of the signs and miracles He performed, and instead \_\_\_\_\_ for \_\_\_\_\_ signs and wonders.
8. (v.54-64) The same sign or miracle works \_\_\_\_\_ depending on the condition of one's heart. For those \_\_\_\_\_ to God, it works to strengthen and reinforce their faith and trust in God producing \_\_\_\_\_; for the \_\_\_\_\_ it works judgment for their destruction to produce \_\_\_\_\_.
9. (v.65-72) The right lesson to learn from Israel's example is to live according to God's \_\_\_\_\_ and \_\_\_\_\_, not \_\_\_\_\_.
