

Psalm 103 • The Complete Work of Grace

1. (v.1-5) God's "benefits" are the sum of the work of salvation for this life and the one to come.
2. (v.6-14) God's nature is to magnify beyond measure His love toward those who make the minimal effort that a human being is capable of. He does not require anything that is extraordinary or beyond our ability.
3. (v.15-18) Our part follows by putting into practice His Word.
4. (v.19-22) Obedience is the right response to God's grace.
