

## Psalm 107 • His Lovingkindness

---

1. (v.1-3) The **redeemed** are those that He has never given up on and who have responded **spiritually** to His gathering them back. It the very picture of the meaning of God's **lovingkindness**.
2. (v.4-9) God's lovingkindness endures to satisfy our **soul**.
3. (v.10-16) God's lovingkindness endures to set our **soul** free.
4. (v.17-22) God's lovingkindness endures to heal our **soul**.
5. (v.23-32) God's lovingkindness endures to put our **soul** at peace.
6. (v.33-38) For sinners God works to give them an opportunity to see the need to **return** to Him; for those acknowledging their need for Him He supplies every spiritual **resource** in abundance.
7. (v.39-43) The right response to God's lovingkindness is not just **acknowledging** Him, but being **obedient** to Him.
