

## Psalm 139 • You Are There

---

1. (v.1-6) God takes much more than a casual \_\_\_\_\_ in us; He is present for every \_\_\_\_\_ of our life whether we're aware of Him in our thoughts and activities or not. He is much more than a casual \_\_\_\_\_.
2. (v.7-12) There is nowhere we can go where God is not \_\_\_\_\_.
3. (v.13-16) Just as an \_\_\_\_\_ follows the progress of his work to make sure it performs as \_\_\_\_\_, and that it lives up to the original intentions it was \_\_\_\_\_ for, so God is involved with us—whether we \_\_\_\_\_ it or not, regardless of \_\_\_\_\_ we go or \_\_\_\_\_ we do.
4. (v.17-18) If we fully understood God's \_\_\_\_\_ in us, we would become much more concerned about the nature of that \_\_\_\_\_.
5. (v.19-22) We should not want to spend any \_\_\_\_\_ or \_\_\_\_\_ to develop any kind of relationship with \_\_\_\_\_ or \_\_\_\_\_ which leads away from \_\_\_\_\_.
6. (v.23-24) The appeal to God to live as He intends:
  - a. "...know my \_\_\_\_\_..."
  - b. "...know my anxious \_\_\_\_\_..."
  - c. "...see if there be any \_\_\_\_\_ way in me..."
  - d. "...lead me in the \_\_\_\_\_ way".
