

Song of Solomon

NOTE: The overall outline of the Song of Solomon can be divided as follows:

- I. The Beginning of Love (1:1-5:1)
 - a. Falling in Love (1:1-3:5)
 - b. United in Love (3:6-5:1)
- II. The Broadening of Love (5:2-8:14)
 - a. Struggling in Love (5:2-7:9)
 - b. Growing in Love (7:4-8:14)

1. Why is the Song of Solomon in the Bible? How does it fit in with the other books of the Bible?
2. What does the overall outline of the Song of Solomon teach us about love?
3. The references to the bride's family background and connections represents _____ the _____ for the _____.
4. Song of Solomon has very little to do with _____ relationships and much more to do with _____ relationships based in _____.
5. The geographic references cover every area of Israel, a reminder that God loves ALL of _____ and ALL of the _____.
6. The different gardens – and the different crops in each – reveals the Messiah's _____.
7. The Messiah's two comings and Israel's rejection then acceptance of Him is reinforced by the _____. (3:1-4 and 5:2-7)
8. The Song of Solomon begins and ends in the same way: The _____ eagerly awaiting the _____ arrival. (Again, this speaks of the Messiah's two comings.)
9. The chief reason we have difficulty understanding Song of Solomon is that we so rarely _____, much less _____.
