

Isaiah 55:6-11 • God's Word

1. (55:6-11) We do not **think** like God. His **thoughts** and **plans** are radically different from our own and must be **learned**.
2. (58:13) God's repeated call is to cease following **man's** Word to instead follow **His**.
3. (40:3-8) Adhering to God's Word removes personal obstacles of **unbelief** and **disobedience**.
4. (57:15) Revival comes to those who are **contrite** and **lowly** in spirit.
5. (66:1-2) God positively regards those who have rid themselves of **pride** and have come to rely upon God's **Word** as the source of their satisfaction.
