

Isaiah 58 • True Observance

1. (v.1-2) Believing in God has little benefit for those who continue to **live** as they did **before**.
2. (v.3-5) False worship is rooted in **self-interest** with no regard for others.
3. (Luke 18:9-14) A true worshiper seeks to **humble** their self before God rather than **exalt** their self before men.
4. (v.6-12) The example of right worship:
 - a. **Love** our **neighbor** as our self.
 - b. Our **way** is prepared by the Lord.
 - c. Our **life** is replenished and transformed. (Rom. 12:1-2)
 - d. We in turn become a **repairer** and **restorer**.
5. (v.13-14) Worship is not supposed to **conform** to our own desires but in the spirit of **self-denial** seeking to honor God alone.
