

Isaiah 59 • He Will Restore Truth

1. (v.1-3) Spiritual blindness – the inability to understand why sin separates from God – is the result of allowing sin to live side-by-side with truth.
2. (v.4-8) Whereas non-Believers are blinded by Satan to be kept from seeing the truth, backslidden Believers engage in self-deception to achieve the same thing.
3. (v.9-11) Ironically, the spiritually blind still cry out to God while groping about.
4. (v.12-15a) The end condition is arriving at a place devoid of God's truth.
5. (v.15b-20) Reversing the condition begins exactly as the downward spiral began: Personal choice.
6. (v.21) The ultimate work of the Redeemer is to restore the truth.
7. Note: Without truth, our self-deception brought about by twisting God's Word also twists the definition of love into something unbiblical. There is no love without His truth.
8. Note: If we truly love people, we will hold our ground on the issue of truth.
