

## Isaiah 63-64 • The God of Israel & the Israel of God

---

1. (63:1-6) This is the picture of Christ's Second Coming for all those who \_\_\_\_\_ Him. Where they are concerned He is coming exclusively to execute the \_\_\_\_\_ of God according to His righteousness.
2. (63:7-9) Whereas Christ's Second Coming is the \_\_\_\_\_ of God for those rejecting Him, it is \_\_\_\_\_ and \_\_\_\_\_ for those embracing Him.
3. (63:10) People who acknowledge Him but don't live like Him are biblically defined as "\_\_\_\_\_".
4. (63:11-14) Just as God was faithful to \_\_\_\_\_ the nation Israel out of the old life in Egypt and \_\_\_\_\_ them to His promised new life in the Promised Land, so the same total work of \_\_\_\_\_ is at work in all believers' lives.
5. (63:15-16 & 64:5-8) The work of the Father, even in the course of \_\_\_\_\_ us for our iniquities, is to be formed according to His original plan of \_\_\_\_\_.
6. (63:17-19 & 64:1-4) \_\_\_\_\_ and \_\_\_\_\_ aren't just a requirement for our own personal relationship with Christ, but has a direct effect on \_\_\_\_\_ who do not have such a relationship.
7. (64:9-12) The real sign of the Last Days is not merely the \_\_\_\_\_ return to the land of Israel, but the \_\_\_\_\_ return of Jews to their Messiah.
