

Jeremiah 36 • The Difference Between Hearing & Reading

1. (v.1-3) The primary purpose of God's Word where man is concerned is to **put it into practice**.
2. (v.4-8) Believers don't merely read, but **equip** and **send** others to **teach** God's Word. [2 Ti. 3:16-17; 2 Pe. 1:21]
3. (v.9-19) Being "**concerned**" with God's Word is not enough; you have to apply it **personally**. [2 Ti. 2:15]
4. (v.20-26) When those who reject God's Word can't kill the **messenger**, they will attempt to kill the **message**. [Mt. 24:35]
5. (v.27-32) What God writes the **first** time He writes exactly the same again the **second** time. [Acts 5:38-39; Dt. 10:1-2; Mt. 5:18]
6. (45) Every single person, even the messenger bearing God's Word, must decide what they will do with it **personally**.
