

Ezekiel 36-37 • The Signs of the Times

1. (36:1-3) In reality, where Israel is concerned, it's actually all a **spiritual** issue.
2. (36:4-7) In reality, where the nations around Israel are concerned, it's actually an issue of not following God's command to **love one's neighbor**.
3. (36:8-12) The land is a **physical** witness of Israel's **spiritual** connection with God.
4. (36:16-23) **Physical** restoration is not the same as **spiritual** restoration.
5. (36:24-28) Spiritual restoration in this context is defined as returning to God through **Christ**.
6. (36:29-32) Israel's spiritual renewal opens their eyes to their own **behavior** and the true work of **God**.
7. (36:33-37) It's not about possessing the **land**, but possessing the **Lord**.
8. (37:1-14) Physical restoration to the land is transformation from bones into corpses; spiritual restoration is the **indwelling of His Holy Spirit through Christ**.
