

Daniel 9:1-19 • The Right Response to Prophecy

1. (v.1-3) For Believers, the correct response to **prophecy** is not the desire for **MORE prophecy** but to turn to Him in an even more and **committed** manner than ever before in our life.
2. (v.4-6) Prophecy is the very **Word of God**; therefore, it should drive us **MORE** towards obedience and submission to all of **His Word**.
3. (v.7-11) If the signs and works of God's End Times **judgment** are upon us, the number one thing we should be personally concerned with is the quality of our **obedience** to His **Word**.
4. (v.12-14) Daniel's example to us as a **righteous** believer is we should have an increased fervor to reject **sin** and employ **God's Word**.
5. (v.17-19) There is nothing more important than a **soul** restored to a right **relationship** with the **Lord**.
