

## Matthew 11 • Choosing a Yoke

---

1. (v.2-3) It begins with a determination of who we believe \_\_\_\_\_ to be.
2. (v.4-6) It is built upon a right heart where \_\_\_\_\_ is concerned.
3. (v.7-15) It requires acceptance of the \_\_\_\_\_ message in general.
4. (v.16-24) It requires acceptance of the \_\_\_\_\_ message personally.
5. (v.25) It requires \_\_\_\_\_ faith.
6. (v.26-27) It can be acquired through no one except \_\_\_\_\_.
7. (v.28-30) It is actually a question of “\_\_\_\_\_” yoke:
  - a. The world’s yoke have only task masters who never \_\_\_\_\_ the load but actually \_\_\_\_\_ it.
  - b. \_\_\_\_\_ of heart precludes learning anything that will \_\_\_\_\_ the burden.
  - c. If one’s master is not \_\_\_\_\_ it is \_\_\_\_\_ who is anything but “*gentle and humble in heart*”.
8. Overall Application: Salvation is an on-going process addressing all three aspects of our life past, present and future:
  - a. The past is addressed through \_\_\_\_\_ : the work of the cross to separate us from \_\_\_\_\_.
  - b. The present is addressed through \_\_\_\_\_ : the work of Jesus to separate us from \_\_\_\_\_.
  - c. The future is addressed through \_\_\_\_\_ : the work of Jesus to \_\_\_\_\_ us for eternity.
