

## Luke 6:20-49 • The Differences That Matter

---

1. (v.20-26) Those grounded in this life know the price of everything but the value of nothing; those focused on the next life understand what truly has value.
2. (v.27-31) The quality of faith is proven in how we treat others. A quality faith is willing to sacrifice the temporal things of this world for the eternal things of the next.
3. (v.32-36) Loving those who hate us stems from understanding how blind and unaware they are spiritually.
4. (v.37-40) God proves our love for Him in the quality of our love for others.
5. (v.41-45) The difference in behavior between a saint and a sinner is evidenced by their behavior toward people and possessions.
6. (v.26-49) True Christianity is authentic to the degree it puts God's Word into practice. This is nowhere more visibly evident than in the quality of personal relationships.
