

Luke 13:1-21 • Living a Fruitful Life

1. (v.1-5) The first and foremost step toward a spiritually fruitful life is **repentance**. In fact, without **repentance**, all subsequent works are actually **dead** regardless of how good the intentions.
2. (v.6-9) The next requirement is to live a spiritually fruitful life as the visible **evidence** of true **repentance**.
3. (v.10-17) We are to live a spiritually fruitful life most notably defined by applying the greater law of **love** in the course of **obedience** to His Word and ways.
4. (v.18-21) The proof of a spiritually fruitful life is in its visible **witness** and **working** both to the **unsaved** in the world and to the **saved** within the church.
