

Luke 17 • Wrong Spiritual States

1. (v.1-6) All spiritual problems can be traced back to either an issue with one's personal _____ because of _____, or in dealing with the _____ of others because of _____.
2. (v.7-10) Spiritual problems – especially spiritual _____ – are often traced to someone's desire more for the _____ of this life than doing the _____ necessary to _____ them in the next.
3. (v.11-19) There are those who squander their _____ in an effort to make life better in this life. They are like the Prodigal Son, desiring to spend their _____ in the here and now.
4. (v.20-37) Many people are not prepared for Jesus' Second Coming because they mistakenly believe that at the point of His coming everything will _____, when in reality it is the point at which it's too late to personally _____ and _____ is then impossible.

Overall Application:

How does someone arrive at the wrong spiritual state of being unprepared for Christ's Return?

1. They are _____ to begin with, either in terms of their personal sin, addressing the sins of others, or both.
2. They see themselves as _____, someone who deserves more out of **THIS** life.
3. They are _____, desiring _____ blessings without feeling the need to render proper worship and gratitude in return.
