

## John 2:1-12 • The Threefold Lessons of a Sign

---

1. (v.1-12) **The Dispensational Lessons:** In spite of having the Word which spoke clearly of not just the timing of the Messiah's **arrival** but His **character**, it was only those who actually lived by, or were willing to repent and put into practice, God's **Word** who recognized Him.
  
2. (v.1-12) **The Doctrinal Lessons:** The miracle of **salvation** only comes about when each individual puts into practice what is here the last recorded words of Mary, "*Whatever He says to you, do it*". (v.5) **Salvation** comes about by Christ's Word alone.
  
3. (v.1-12) **The Practical Lessons:** Use every opportunity to serve Christ by both being personally **obedient** to His Word and by **preaching** His Word.
