

## Acts 2 • Ecclesiology

---

1. (v.1-13) Man's \_\_\_\_\_ is no longer based on language, ethnic identity, tribal identity, national identity or anything else attached to \_\_\_\_\_ birth, but is now instead based on \_\_\_\_\_ birth.
2. (v.37-47) There **MUST** be a conviction of \_\_\_\_\_, a \_\_\_\_\_ by the Holy Spirit, and an \_\_\_\_\_ that unless God loved you so much that He paid the price, you are judged and doomed to hell. Going forward there must be a \_\_\_\_\_, a \_\_\_\_\_ from living according to the ways which doomed you in the first place.
3. (v.41-42) Three aspects of "devotion":
  - a. Devotion to \_\_\_\_\_.
  - b. Devotion to \_\_\_\_\_.
  - c. Devotion to \_\_\_\_\_.
  - d. \_\_\_\_\_ must be right for everything else to be right.
4. (v.43-47) Many things can only really be accomplished in a \_\_\_\_\_ setting such as fellowship and the development of gifts.
