

Romans 14 • Handling Doubtful Things

1. (v.1-4) The greater issue is to not operate according to the flesh.
2. (v.5-9) Operating according to the flesh can take place even for things assigned to God.
3. (v.10-12) Ultimately God judges us not by our relationship and treatment of things but our relationship and treatment of others.
4. (v.13-23) We are to act on the basis of love. Ultimately sin is not defined solely on the basis of the Law, but on the basis of one's faith relationship with God.
