

## 2 Cor. 3:17-18 & 4 • Irrefutable Proof of God's Existence

---

1. (3:17-18) Believers are a visible **witness** of God's glory and power and **freedom** in Christ.
2. (4:1-2) Believers' "ministry" (literally "**service**") is intended to **reconcile** both Believer and non-believer alike.
3. (4:3-6) The more a Believer become the image of **Christ**, the greater their understanding and knowledge of **Christ**, and the better others see **Christ** through them.
4. (4:7-10) Believers are a visible witness of the power of the **resurrection** transforming them into the image of Christ as they **forsake** the old and embrace the new.
5. (4:11-12) As Believers are "being made a **corpse**" to the world, they shine as tangible proof of the existence of God.
6. (4:13-15) Believers are supposed to be visible proof of the work of the **resurrection**.
7. (4:16-18) When Believers **recognize** that Christ's death and resurrection works through them a ministry of reconciliation to God, they can live **victoriously** because they see the spiritual results the world cannot.
