

2 Corinthians 10 • The Mark of a True Apostle

1. (v.1) A true apostle is a walking, talking visible example of **Christ**.
2. (v.2-6) A true apostle uses spiritual **weapons** to re-establish **obedience** to God's Word and ways. **Obedience** to Christ is the greater priority.
3. (v.7-11) A true apostle exercises authority in the context of biblical **love** so as to **build up** Believers and the Body of Christ rather than **rule** over and **control** them.
4. (v.12-18) A true apostle seeks not the **approval** of men but God. They do not try to **overtake** another's ministry or flock but earnestly seek to **fulfill** their calling in their own right and area.
