

2 Peter 3 • A Final Message to the Beloved

1. (v.1-2) The whole of God's Word in **both** Testaments points to **Christ**. A right relationship with Christ is impossible for those who do not "**remember the words**".
2. (v.3-7) False teaching is essentially the **misapplication** or **omission** altogether of God's Word.
3. (v.8-10) All of God's **promises** will be fulfilled, both for this life and the next. It is a mistake to attach them to our own **calendar** of expectations.
4. (v.11-13) The fulfillment of God's End Times **promises** is supposed to **motivate** an even greater commitment to putting the rest of **His Word** into practice.
5. (v.14-18a) The primary goal of false teachers is to **undermine** the very thing which is most important for believers, their **commitment** to the **whole** Word of God.
6. (v.18b) The fulfillment of God's Word is not just in the **Rapture**, nor just the **Parousia**, or even the **Millennial Reign**, but in the promise of **eternity** to come.
